

Applicants also amend the Specification at page 44 such that a Sequence Listing appears in the Specification which contains the same disclosure as the Sequence Listing submitted with this amendment.

Since the sequence length of SEQ. ID. No.: 13 is listed at page 44, line 13 in the Specification the present amendment adding a sequence length for SEQ. ID. NO.: 13 does not introduce new matter.

Pursuant to 37 C.F.R. § 1.821(f), Applicants state that the content of the paper and computer readable copies of the Sequence Listing submitted herewith are the same and that no new matter is introduced by the Sequence Listing.

CONCLUSION

Since the above amendments to the application do not introduce new matter, Applicants respectfully request their entry prior to examination of the present application. Should Examiner have any questions, the Examiner is encouraged to telephone the undersigned.

Respectfully submitted,
